This website is owned and operated by VikingCloud and is henceforth referred to as 'we'.

This notice describes the cookies that we operate on securetrust.com, including the purpose of the cookie, how long they are stored on your device and the type of cookies. If you consent to us placing cookies on your device, you can change your mind at any time (see 'How do I change my cookie settings?' at the bottom of this page).

This policy should be read in conjunction with our Privacy Policy, which explains how we use your Personal information.

### What are cookies?

Cookies are small text files that are stored on your device by the websites that you visit. They allow your actions while you are on our website to be remembered - what you've done while on the site, so we can keep improving how easy it is to use / for you to find the right information (Analytics Cookies) and any preferences you select such as your preferred language (Functionality Cookies). They also allow you to be tracked across websites so the advertising you see is more personalized and so we can track the success of our adverts placed on other sites (Marketing Cookies).

Cookies that are strictly necessary for either the performance or security of the website do not require consent for storage on your device, so will be set regardless of your preferences.
